

Cystic Fibrosis Community Care's Letter of Support

To Whom it May Concern,

I am writing to you on behalf of our supporters **Digby Jacobs, Ben Berry, Scott Collins and the SKI4CF races**. Cystic Fibrosis Community Care (CFCC) has provided approval for the SKI4CF Committee to conduct fundraising activities, source and secure donations and sponsorship in support of the **SKI4CF Murray River Challenge**. Whereby they hope to raise much needed funds for CFCC as well as increase awareness of cystic fibrosis (CF).

CF is the most common inherited, life threatening disorder in Australia; one child is born every 4 days with cystic fibrosis. CF is a seriously life limiting condition which affects mainly the lungs and digestive system. Currently, **there is no cure**.

The committee is planning for the charity race to take place from Saturday 24 February until Friday 9 March 2018 along the entire length of the Murray River. The challenge will begin at the Bringenbrong Bridge and conclude at the Murray River Barrage.

How can you help? SKI4CF are now seeking support from the community; you might like to consider donating to the fundraising efforts or sponsoring the event to ensure its success.

Alternatively, you may wish to donate an item, product or service that could contribute to the success of the event or their fundraising efforts.

Fundraising is no easy task, gaining support from friends, family and the wider community makes the world of difference to the success and makes the hard work all worthwhile. It also demonstrates a *community that cares*. Your contribution is deeply appreciated and will be recognised.

Your generous support will contribute to the success of SKI4CF's fundraising efforts for Cystic Fibrosis Community Care, enabling our organisation to continue to deliver programs, services and support to those who need them, so we thank you in anticipation.

If you have any queries, or require any further information, please do not hesitate to contact me on 03 9686 1811 or events@cfcc.org.au.

Yours sincerely

A Manser
